Shampoo

Having a range of shampoos in your suit of armour is essential for any professional dog groomer. DezynaDog offers precisely this with their brilliant formulations which can be used for breed/coat specific treatment, or, general everyday use for a busy grooming salon. Great dilution rates, long-lasting smell, and clear and long-lasting results are simply what DezynaDog and their range of shampoos are known for.

Coat Care

Shine enhancers, detangling sprays and ‘Magic’ grooming sprays are something that DezynaDog pride themselves on. Their coat specific ‘Detangling Doo Spray’ makes even the curliest or most tangled coat smooth and sleek, whilst their Super Shine Spray and Amazing Trix can be used to increase manageability, and add shine, condition, and lustre to the coat. The results speak for themselves.

Scissors

Aureus, originating from a golden coin of Ancient Rome is a high-end scissor range. This range of scissors will add a golden touch to every cut to achieve that perfect quality groom. Developed from high-quality Chinese VG10 Stainless Steel with a hardness rating of 62-63, these scissors retain a perfect sharpness, allowing you to achieve golden grooms for longer. The convex edge finish allows for soft cutting, leaving you with a smooth, professional cut from every angle.
